

REMARKS

This amendment after Notice of Allowance is proper because it merely addresses a few typographical errors in the specification (minor inconsistent uses of element numbers).

In addition, two replacement sheets of formal drawings are enclosed. Through these replacement sheets, the caption "Prior art" that had been incorrectly entered in the formal drawing for Figure 2 is removed. In addition, the formal drawing for Figure 3 incorrectly denoted the input conditions of pctl and rctl as pot1 and rct1, respectively. The enclosed replacement sheets correct for these errors.

CONCLUSION

For the foregoing reasons, Applicants respectfully submit that the pending claims 1 through 20 are now in condition for allowance.

If there are any questions regarding any aspect of the application, please call the undersigned at 949-752-7040.
